REPORT ON THE SOUTHERN CALIFORNIA REGIONAL AIRPORT AUTHORITY

On November 29, 2002, we advised your Board that the subject report would be delayed because the Executive Director of the Southern California Regional Airport Authority (SCRAA) required additional time to provide a report. We received the SCRAA Executive Director's report on December 13, 2002 and now must request an additional extension due to the need to do follow-up on certain matters contained in that report. Therefore, this memorandum is to advise your Board that we expect to have the report completed by January 24, 2003.

If you have questions, please contact me or your staff may contact Lari Sheehan at (213) 974-1174, or e-mail: lsheehan@cao.co.la.ca.us.
